Applicants must be a company or partnership registered with the Accounting & Corporate Regulatory Authority of Singapore to be eligible for these promotions. Applicants are required to present their business profile and other relevant business documents for business applications. Promotion is valid for new and re-contract sign-ups until 31 December 2013 only. Promotional offering comes with free installation, service activation, Wi-Fi router rental. Trend Micro Maximum Security 2014 comes with 12 months license for 1 user (SKU version) and redemption will begin from 16 December 2013 onward; while stocks last. Free \$300 shopping customers is only applicable for the first 100 Smart Office Suite customers sign-up. 36-month contract applies. The mobile plan comes with free SIM registration and is bundled with 3 months of free Caller Number Display service and International Roaming service. The MultiSIM card included with Smart Office Suite is only usable with the associated mobile number. Premiums offered are while stocks last and StarHub reserves the right to exchange them for other free items/premiums of similar value. The Promotion is also not valid with any other promotions. Existing StarHub terms and conditions apply. StarHub reserves the right to amend, suspend, withdraw or terminate, whether in whole or part, the promotions and/or the terms and conditions without prior notice and at our absolute discretion. For full terms and conditions, please refer to www.starhub.com/business.

Promotion is only open to eligible enterprise customers with StarHub business mobile line. Promotion prices are valid until 31 December 2013. For RoamEasy Monthly, upon successful activation, customers will pay a monthly subscription of \$40 (U.P. \$72) for 200MB data roam bundle or a monthly subscription of \$100 (U.P. \$180) for 500MB data roam bundle. The data roam bundle can be used in any of the 31 designated countries under RoamEasy Monthly plan. Data roam usage exceeding the relevant data roam bundle will be charged at \$3 per MB. Prevailing standard data roam rates apply for any data roam usage on roaming operators in countries that are not covered under RoamEasy Monthly plan. Any unused data allowance on any data roam bundle cannot be rolled over to the next billing cycle. RoamEasy Monthly plan cannot be enjoyed with other data roam promotions. RoamEasy Monthly plan will take precedence over any other data roam promotions. The minimum service period for RoamEasy Monthly plan is 3 months. In the event of termination within the Minimum Service Period, an early termination charge will be payable. Opt-in is required to enjoy RoamEasy Daily, with data roaming rate of \$10 per 50MB data block used daily (till 23:59 hr Singapore Time) in the 31 designated countries. Details at www.starhub.com/RoamEasy. Existing terms and conditions apply. StarHub reserves the right to amend, suspend, withdraw or terminate, whether in whole or part, the promotion and/or the terms and conditions without prior notice and at our absolute discretion. For full terms and conditions, please refer to www.starhub.com/business.
